SUPPLEMENT TO
REPORT NO.

1. On 29 January 1949, instead of the anticipated Soviet Air Force unit, Rehagen (Z81) received an advance party of motorized infantry consisting of sixty EM and a large (unspecified) number of officers.
2. It is rumored that these troops came direct from the USSR, probably via G6rlitz.
3. The EM and officers are all members of the Class of 28; they wear new uniforms without decorations. Some officers have moved into Rehagen apartments which have been requisitioned for ninety officers' families.
